Section 1: All items in this section must be completed

1.1 Applicant Information	
Applicant's Name:	TRC-License No: (if the applicant is a TRC licensee)
Address: _____ _____	
Fax. No: _____ Zip Code: _____ Telephone No: _____	
E-mail Address: _____	
Web Site (if any): _____	
Source of port: _____ Country: _____ Company: _____	
Web Site: _____	

1.2 Type of Application		
<input type="checkbox"/> New Model	<input type="checkbox"/> TRC Approved Model	<input type="checkbox"/> Modified Model

<p>-I/we certify that I represent the applicant in the capacity indicated below and that I have examined the foregoing technical information and that it is true to the best of my knowledge and belief.</p> <p>-I/we declare that all the information in this Application form is true and correct. I understand that approval from Telecommunications Regulatory Commission of Jordan for this application is based on information as declared in this application. Should this information be incorrect, any license granted by TRC will be revoked.</p> <p>-I/We declare that the attached Application is completed by a technically qualified and competent person and all information given in this Application, and in the documents attached are true and correct. And in accordance with the conditions stated in the Telecommunications Law No 13 1995, *I/we will not market and sell the equipment until a Type Approval Certificate has been issued to *me/us.</p> <p>-I/We warrant that each unit of equipment to be marketed under TRC approval will comply with all applicable requirements as stated in the application.</p>	
<u>Name (Please print or type)</u>	
<u>Signature & Date</u>	
<u>Position</u>	<u>Telephone No.</u>
<u>Address (include ZIP Code)</u>	

Section 2: All items in this section must be completed

2.1 Equipment Information	
Trade Name:	Manufacturer's Name & Address:
Model No:	
Year of Manufacture:	

2.2 Equipment Specification			
Item	Specification	Item	Specification
Operating Frequency	MHz	Transmission Rate	bps
Modulation Type		Frequency Stability	ppm
Subcarrier Format		Sensitivity	µV/m

Section 3: For submission of a new model currently not type-approved in Jordan, and a modified model.

3.1 Submission Requirements	
The following items <u>must</u> be submitted:	
i.	Colour photographs, capturing front, rear, and side views;
ii.	Full test report and other test data relevant to the equipment;
iii.	Technical documents (include a general description of the equipment, the features and facilities the equipment supports);
iv.	Manufacturer's Declaration of Conformity;
v.	User Manual, if any.
vi.	Safety Declaration

Section 4: For submission of a type-approved model.

4.1 Conditions for Type Approval under Section 4	
1.1	The model that has already been granted type approval by TRC.
1.2	The model submitted is identical to the TRC type-approved model.
1.3	The applicant shall submit any other documents or items deemed necessary by TRC.
1.4	TRC reserves the right to reject the application if the conditions stipulated under 4.1.1 to 4.1.3 are not met.

For Official Use Only		
Application <input type="checkbox"/> Accepted <input type="checkbox"/> Not Accepted	Photographs <input type="checkbox"/> Accepted <input type="checkbox"/> Not Accepted	Equipment Manual <input type="checkbox"/> Acceptable <input type="checkbox"/> Not Acceptable
Specification No.	Applicant's File No.	Test Report No.
TRC -Type Approval Certificate- No.	Date of Issue	Completed By : Signature:

All applicants submitting a model that has already been granted type approval by TRC, must abide to the following conditions:

- A TRC Declaration form in [Annex 1](#) must be completed.
- A TRC Safety Declaration form in [Annex 2](#) must be completed.
- A TRC Emissions Declaration form in [Annex 3](#) must be completed
- Only equipment from the declared source of import is allowed to be marketed and sold in Jordan. The applicant will be required to re-apply for a new type approval if the source of import has changed.
- A letter or a proof from the declared source of import stating the models supplied to the applicant.

Annex 1

Declaration	** To be completed by all applications **
--------------------	--

Please complete the rest of the application before signing this declaration

To the best of my knowledge and belief the particulars given in this document are correct and complete.

I have read the application notes, statements and conditions and will supply the necessary information (the attached) with my application.

I, (Name & Title) _____

Position in Company _____

For and on behalf of _____ (Name of Company) located at Address _____

Do solemnly and sincerely declare that the following telecommunication equipment:

Manufacturer _____ Model No. _____

imported from :

Company _____

Address _____

Country _____

Contact Person (if possible) _____

Tel _____ Fax _____

E-mail _____

Complies with _____, and _____
_____, and _____

Standards and shall ensure that only radio communications equipment from the above declared source will be marketed and or operated and/or sold in Jordan.

I shall re-apply for type approval if the source of the above radio communications is different from the one declared above.

I further declare that the specimen(s) (if requested by TRC) offered for Type Approval test is/are representative of the product envisaged.

Signature & Name for and on behalf of (Name of Company)

Date

Annex 2

Safety Declaration

**** To be completed by all applications ****

I (We), Declare that I (We) have the safety test result relating to the radio communication equipment mentioned in this form as identified overleaf .

I (We) declare on my (our) sole responsibility that the radio communication equipment is in conformity with the following safety standard(s) and/or normative document(s) :

_____, and _____
_____, and _____

Telecommunications equipment information :	
Manufacturer _____	Model No. _____
imported from :	
Company _____	
Address _____	
Country _____	

(Name & Title) _____

Position in Company _____

For and on behalf of _____ (Name of Company) located at Address _____

Signature & Name for and on behalf of

Date

- Notes:
1. Please submit the application form to the above address together with the following:
 - a) An application fee (where required),
 - b) All items specified in Section 3 or 4,
 2. Application without the submission of complete documents will not be accepted.
 3. Payment should be made by a crossed cheque/cache payable to "Telecommunications Regulatory Commission" or "TRC ". The application fee is not refundable.
 4. TRC reserves the right to reject any equipment .

Annex 3

Declaration	** To be completed by all applications **
--------------------	--

Please complete the rest of the application before signing this declaration

I (We) declare on my (our) sole responsibility that the concerned product in this application is conformity with the following:

1. Any possible method should be done to enable the most efficient use of spectrum, such as Bandwidth expansion, amplitude modulation and single-sideband techniques.
2. Frequency tolerance of the center frequency used by the concerned product must comply with the ones specified in table1.
3. Maximum spurious emission power level from the concerned product should be within the range specified in table2.
4. Frequency tolerances and levels of unwanted emissions should be at the lowest value which the service permits.
5. In case of using Bandwidth-expansion techniques, power spectral density should be employed in such manner that ensures efficient use of the spectrum.
6. Technical parameters of the receiving station should be considered so as to comply with the class of emission concerned.
7. Interference caused by a transmitter located at a close distance from the receiver should be minimized using the appropriate performance characteristic & parameters.

Signature & Name for and on behalf of (Name of Company)
